HORSE STOLEN

Ed C. Schlitt had the misfortune of losing his fine driving horse. It was taken from his barn between eleven and twelve o'clock Saturday night. He has notified the officers all over the country but no trace of the horse has been found yet. The horse is known by everybody in the city as a fine animal. It seems that the horse and thief got away with no one seeing them, as no clue whatever can be found.

T. O. George, prominent candidate for Representative says in an interview that every acre of our Indian land in Caddo County must be taxed, the bill to be paid by an appropriation by Congress.

DIED

George Myers Acton, the eleven year old son of Mr. and Mrs. Fred Acton, died Sunday morning at 9:20 o'clock of heart trouble. For several months the little fellow has suffered leakage of the heart causing droopy and liver trouble. His death has been expected for weeks while he has been able to be up and even on the street at times. Just a short time before he died he asked his mother to get his white shirt and asked if he could go to Sunday School.

The funeral was held at the M. E. Church, Monday afternoon at 2:30 o'clock, and conducted by Rev. Farrington. The bereaved ones have the sympathy of many friends at this sad hour.

"I know his face is hid;
Hid under the coffin lid;
Closed are his eyes,
Cold is his forehead fair,
O'er it in prayer I kneel
Yet my heart whispers that—
He is not here."

Visit John Pfaff & Sons Hardware store and see what can be bought for 10 and 25 cents.

Joe Smith is reported very low. He has been growing weaker for some time—his physicians give them but little encouragement. Mr. Smith has been ailing for several months and has been bedfast about two months.

CLASS CONTEST

Rev. Crabtree's class of boys and Mrs. V. D. Bullen's class of girls in the M. E. Sunday School closed their contest, Sunday. The points were on attendance and collection. The boys felt a little nervous until they had passed the hat the second time. However when the points were all counted the boys won out with sixty points. This means a party, a social evening. A good time is expected.

ANOTHER LIE NAILED

I understand that a certain candidate for sheriff is telling around over the county that he and I drew straws to see which one would run for sheriff and that he drew the long straw, consequently I agreed not to run. I want to say that there is not a single word of truth in this statement. I am not making a straw campaign but am running on my ability to conduct the office of sheriff of this county and on this proposition I am willing to stand or fall.
